‘He is born in vain, who having attained the human birth, so difficult to get, does not attempt to realize God in this very life.’

—Sri Ramakrishna

‘There are many, many people who do not even think of God. If they do not call on Him, it is their misfortune.’

—Sarada Devi

‘It is good and very grand to conquer external nature, but grander still to conquer our internal nature.... It is grand and good to know the laws that govern the stars and planets; it is infinitely grander and better to know the laws that govern the passions, the feelings, the will of mankind.’

—Swami Vivekananda
